life and enthusiasm. Don't forget to share your new knowledge with those who went elsewhere or couldn't attend at all. This is your chance to become a "local leader". And don't forget the National Board Meeting in Salt Lake City, Ut. Being so close, we should have good attendance. Believe me - there is a seminar and activity for every member.

I'd like to congratulate the Sheridan and Gillette squadrons for their excellent work at the SAREX in Sheridan. It was one of the smoothest running exercises Wyoming has had for some time.

I'd also like to thank all who participated in the Cody Red Cap and an apology to those who weren't notified or kept well informed. Our recall fell though. We at Wing are putting forth more effort to revise the recall to prioritize and establish better follow up procedure.

Congratulations to John Campbell and his crew for the "Find". This is John's fourth.

A reminder that the evaluated SAREX will be in Cheyenne 7-9 of August. There will be a 7pm briefing on the night of the 7th for those who can make it.

**\*Cadets\***

Two cadets from Wyoming attended the Colorado Wing Encampment at the Air Force Academy. The cadets were John Schultz and Wade Philpotts of the Laramie Valley Composite Squadron.

Cadet Ed Lawson attended Cadet Leadership School at the Air Force Academy. Cadet Lawson took part in a wide variety classes related to leadership and management.

Remember to get your applications in to me for the Utah Encampment. No deposit is required but if you send one, a spot at the encampment will be assured to you.

The flight encampment in Laramie is about to start. Plan ahead for next year.

Get your application in to Major Cash of the Douglas unit if you want to attend the Rimrock encampment. It sounds like it will be a lot of fun.

Director of Cadet Programs
